Buying him the time he needs is the least I can do!
Kouta is laboring to turn the Lesser Devil human in order to save her

Experiencing such a thing as love
was out of my reach by definition.

Don't you give up, Elyse!
But those were only words
The way I see it... You did say you loved me

And that can only mean one thing: your feelings for me aren't coming from the bottom of your heart.
Not yet!
Because you don't understand yet
Baby!
You don't know what it really is to be in love with someone...
Look at me. Playing smartass...!
What the hell?

I can't even show her to nice places and make her fall in love with me.
Can't even afford what it takes to make her feel good.
What gives ...?
How can you butt upright in a moment like this?
